A LITTLE ABOUT EVERYTHING

Molecular pathology is an emerging branch within biomedical sciences which focuses on the progress, development and evolution of diseases at molecular level, thereby paving the way for provision of quality healthcare.

In order to strengthen the implication of molecular diagnostics in clinical practice, **Molecular Pathology Association of India (MPAI)** came into existence in early 2011 with an objective to cultivate and promote the practice of modern molecular pathology.

These are very exciting times for us especially in the way cancer is now diagnosed as well as treated.

Technology has enabled us to achieve several breakthroughs in providing holistic cancer care. **MPAI** under the auspices of **AMP (Association of Molecular Pathologists)** and **AIPNA (Association of Indian Physicians in North America)** announces its 3rd annual Conference, aiming to provide a platform to update as well as share our experience related to cancer genomics.

This meeting will offer a special section on technology, which will throw light on how **Next Generation Sequencing** as well as Omics are slowly making their way into cancer care.

We request all of you to mark the dates of the conference, which will be **Feb 14-15, 2014** in Mumbai. Mumbai has a very pleasant weather that time. Situated on the Western Ghats at the western coast of India the financial capital of India is a great tourist and shopping destination. And also, it is home to one of the biggest dream factories of the world - Bollywood!

The background of the slide features a faded, grayscale image of a person's hand gripping a tennis racket. The racket's strings and the hand's position are visible, creating a sense of motion and focus.

Mentor

Dr. B.R. Das, President – Molecular Pathology Association of India

Advisory Committee

Dr. Advani S. H, Raheja & Jaslok Hospital
Dr. Rajan Badwe, TATA Memorial Hospital
Dr. Indira Hinduja, Hinduja Hospital
Dr. Lahane T.P., Dean J.J. Hospital
Dr. G.B. Parulkar, Ex Dean K.E.M. Hospital
Dr. Mohan Agrawal, Bombay Hospital
Dr. Kanjaksha Ghosh, NIIH (ICMR)
Dr. Helen Fernandes, USA (AMP)
Dr. Pritish Bhattacharyya, USA (AIPNA)
Dr. Chris Wong, Hong Kong (IAWG)

Local Organizing Committee

Dr. Firoz Ahmed, SRL Ltd.
Dr. Aparna Bhanushali, SRL Ltd.
Dr. Shubhprakash Sanyal, Fortis Hospital
Dr. Nilesh Lokeshwar, D.Y. Patil Hospital
Dr. Nikhil Datar, Nanavati Hospital
Dr. Vimal Jain, Hiranandani Hospital
Ms. Shefali Desai, Consultant Molecular Biologist

Organizing Committee

Dr. Rajiv Sarin, ARCTREC
Dr. Purvish Parikh, ICON & ICS
Dr. PSRK Sastry, Kokilaben D Ambani Hospital
Dr. Ganpati Bhat, Jaslok Hospital
Dr. Abhay Bhave, Lilavati Hospital
Dr. Deepak Parikh, Raheja Hospital
Dr. Aseem N. Parikh, Nair Hospital
Dr. Rajiv Soman, Hinduja Hospital
Dr. Dilip Karnad, Jupiter Hospital
Dr. Sangeeta Desai, TATA Memorial Hospital
Dr. Aashish Contractor, Asian Heart Institute
Dr. Rajesh Mistrey, Kokilaben Hospital
Dr. Kumar Prabhash, TATA Memorial Hospital
Dr. Praveen Potdar, Jaslok Hospital
Dr. Usha Dave, Nextline Diagnostics LLT.
Dr. V. Baburao, NIIH (ICMR)
Dr. Shrikant Badwe, President IMA (Malad Medical Association)
